

UNWEILLING TALENT

Havillah presents:

**Raw, inspired,
undiscovered** – but perhaps
not for much longer.

This exhibition is about
unveiling talent and giving
young artists who live in
and around Newham the
chance for their art to be
seen and heard and for
their talent to be recognised.

The team behind this
exhibition – Havillah – are
themselves young east
London residents who
take pride in being both
creative and entrepreneurial.
They've sourced the art for
this exhibition. There is no
central theme, no rules,
no restrictions – just some
very talented young artists
showing what they've got.

Dates: 8th March – 24th April 2010

Times: Mon to Fri 8.30am – 6pm,
Saturday 9am – 2pm

Place: 29-35 West Ham Lane,
Stratford, London E15 4PH
